

7-8 Semesters
Degree: Bachelor of Law (S.H.)

UNDERGRADUATE
STUDY PROGRAM

Faculty of LAW

“Real Work for the Country”

<https://hukum.ubaya.ac.id/>

Since 1966, the Faculty of Law (FH Ubaya) is one of the first three Ubaya faculties. Commitment to quality is evidenced by FH Ubaya's Accreditation since 1998, continued with "A" accreditation score in 2003. In line with the accreditation score, academic development is based on meeting the qualification standards of legal professionalism so that FH Ubaya graduates are able to gain the trust of service users to practice their profession, or continue their education to a higher level.

In accordance with the Vision of **"To become a quality Faculty of Law to meet the legal needs of the community"**, the Ubaya Faculty of Law is expected to be a pioneer of reform in the learning process, research, and services in Law, which is oriented particularly to meeting the needs of the business and industrial community to realize social welfare.

GRADUATE COMPETENCIES

The FH Ubaya's quality commitment is as follows:

- | | |
|------------------------------------|--|
| Attitude Dimension(s) | : Able to apply the Pancasila values to the life of the global community and to develop a law-abiding and disciplined attitude in society and the state. |
| Knowledge Dimension(s) | : Able to apply theoretical concepts of basic legal knowledge that can be used to solve social problems as a form of community engagement. |
| Special Skills dimension(s) | : Able to formulate the concept of solving legal problems/cases through juridical thinking methods based on sources, principles, principles, and applicable legal norms and to formulate ideas logically, critically, and argumentatively in oral and written communication according to applicable law. |
| General Skills Dimension(s) | : Able to develop knowledge independently and develop networks. |

GRADUATE EXCELLENCES

- Possess high personal integrity, open, and critical;
- Able to apply laws and scientific norms in meeting global needs;
- Sensitive to change and creative in finding alternative solutions to problems, especially in the business law field;
- Professional, skillful, and educated in developing scientific rational human potential;
- Possess a spirit of dedication to developing legal knowledge sensitive to humanitarian issues.

PARTNERSHIPS

Partnerships are emphasized for student legal learning that keeps up with legal developments and can be used in society. FH Ubaya collaborates with various national and international agencies and government and private agencies in providing legal learning and carrying out the Independent Learning-Independent Campus (MBKM) program.

FH Ubaya's internationalization efforts began by offering several classes with English introductions, such as Introduction to Criminal Law, Economic Crime, and Criminal Justice, since 2001. Students from universities in Asia and Europe enthusiastically participate in these classes so that the interaction between local and international students is active and dynamic. Visiting Professorship activities for public lectures, seminars, and workshops with various universities abroad, such as Thammasat University – Thailand and Hua Chiew University – Thailand, and with various foreign institutions, such as the United States Department of Justice, United States Consulates and others, prepare FH Ubaya graduates to be ready to answer the legal needs of the community both nationally and internationally.
